helped by its use.

Many years ago be Scott Evans, the artist, took a trip to lamaica, and upon his return to New York he exhibited a number of pleistres that he had painted during his outing. One day a man who had been looking through the studio stopped before a certain picture and asked;

"What does this rapresent?" "That," said Mr Evans, "is a scene in Jamaica.' "Jamaica?" echoed the visitor PThat's strange. I don't remember over seeing anything like that in Ja-

"You have been there, then, have you?" the artist inquired. "Oh, yes! I live there." "Well, you surely must be acquaint-

ed with this place then, it is a street scene in the principal town of the is Mr. Evans for a moment as if he thought the latter must be daft. Then

"I live in Jamaica, and there isn't a street in the town that bears the remotest resemblance to that picture." The mention of Jamaica as a town cleared away the mist. "I see," said Mr. Evans, "you live

"Yes," replied the suburbanite. "Is

in Jamaica, N. Y., don't you?"

there another Jamaica anywhere?" They Lacked Team Work. There was small respect in Captain ever lived," he said confidentially to a neighbor, "but when it comes to common sense every last living one of 'em needs a guardeen."

"Act kind o' crazy, I reckon," said "Well, 'tain't so much that," admitted Captain Maybury, "as 'tis that they if you had a fence to paint? But if you'll believe me, I could tell by their looks they'd never thought of such a thing before. They're simple, that's what they are."-Youth's Companion.

He Tamed the Princess. William the Conqueror when he was were anxious to win her hand. The wily Norman studied her character carefully and when he has mapped that upon reflection she had come to the conclusion that the only man who could treat Mathilde of Flanders in that manner should be her husband. They were married, and the union

marriages in the history of royalty. The Prophetic Gift. That there are persons today who possess the somewhat uncanny gift of being able to predict future events is probably true. The wife of the late Sir Richard Burton, the famous traveler and linguist, not to mention other ed the very first time she saw Burton, at the time a perfect stranger whom "there are but ten commandments in she had met quite casually, that he my Bible. Tell me the eleventh and I would be her husband. At the present moment, too, there is said to be a man who has manifested such an extically all ages. Impetuous youth, "'a new commandment I give unto traordinary faculty of predicting things number of medical men have purchased the reversion of his brain is order that they may examine that organ after death to see if it shows any special development to account for his won-

A Cane In Defense. "If you want to keep off holdup men," said an old detective to the observer, "carry a cane. A holdup man is more afraid of a cane than he is of on, fur as long as you slape you've got a revolver. He's deathly afraid that the man carrying it will jab it in his face or eyes or get the end of it in his mouth. On this account they're just as much afraid of a small light stick cane that a man doesn't know just which way to guard against it. And any man can use it. Nine men out of any skill or practice to learn to slam- clety will be dissolved. Cicero. bang away with a walking stick."-Columbus Dispatch.

The Statue of Liberty.

"I wonder if local mariners appreinte the optical illusion which the statue of Liberty presents to a man arriving in this port for the first time,' said the skipper of an East Indian tramp, who a few days before had entered New York harbor upon his first voyage here. "I saw the statue before I got to the Narrows, and it seemed as if it were just about where quarantine is. Later the thing seemed about abeam of the Kill von Kull. It kept getting farther and farther away, until I finally wondered whether I should ever bring it abeam. I suppose its great height accounts for this."-New York Post.

An actor named Priest was playing at one of the principal theaters in Lonon. Some one remarked at the Garrick club that there were a great many nen in the pit every evening. "Probably clerks who have taken Priest's orders," said Mr. Poole, one of the best punsters as well as one of the cleverest comic satirists of the day.

-London Telegraph.

"At Prayers" and a Seat. The scramble for seats in the house of commons is r pulated by certain has a right to the place he then occuples until the rising of the house. Each evening stands absolutely independent and by itself, and therefore the title to a seat secured by attendance at prayer lapses at the termination of the sitting. On the table in a little box is a supply of small white cards with the words "At prayers" in large old English letters. Obtaining one of these cards and writing his name on it under the word "At prayers," the member slips it into a receptacle in the bench at the back of the seat and thus secures the place for the night against all comers. He may immediately leave the house and remain away as long as he pleases. The place may be occupied by another member in the meantime, but whentleman whose autograph is written stance, a man is known by the comon the card in the little brass slit, re- | pany he keeps.
